# INTRODUCING CEYCEY

Ceycey, the 20-year-old German-American artist and producer blends Hip-Hop, Neo-Soul and Alternative R&B with Jazz elements, offering a mesmerizing sonic experience. Originally from Weinheim, Germany, she honed her craft amidst influences of Jazz, Latin, and Classical music. At 16, she made the bold move to Memphis, Tennessee to pursue her music career. Now based in Mannheim, Ceycey is making her first mark with her debut album, "May I Introduce".

## MAY I INTRODUCE

At the age of 19, newcomer Ceycey released her debut album, "May I Introduce." A blend of Hip-Hop, RnB, Jazz, and Rock, the album offers a unique mix of sounds and emotions, exploring social issues, as well as inner conflicts, emotional struggles and navigating relationships. The track "Kiss and Tell" features a standout collaboration with bassist MonoNeon, adding depth to Ceycey's already diverse sound. Co-produced with Hannes Pries, "May I Introduce" highlights Ceycey's vocal talent, production, and songwriting skills. Inspired by her multicultural background and personal experiences, her music carries a raw, authentic vibe. This debut marks the start of what looks to be an exciting career for Ceycey.

## LIVE

With drums, bass and keys Ceycey and her band craft a massive sonic landscape that sets the stage for a unique show. Ceycey herself commands the spotlight with her captivating aura, effortlessly building connections with the crowd. Her performances are infused with overtaking joy, evident in her energetic dance moves. Her unique vocal effects add layers of excitement to her songs. Despite the grand scale of their sound, Ceycey and her band maintain an approachable personality, ensuring that every audience member feels welcomed into the experience.
